

Suit Up

In a time and place where it can be hard to be a Christian, we take an in-depth look at the armour of God – how it can help us, and why we need to put it on.

I AM

Throughout His ministry, Jesus speaks about who He is and why He came into the world. He describes Himself as the only way to the Father; the truth who has come into the world; and the only one who can offer lasting, abundant, and fruitful life. This programme explores the I Am statements of Jesus, discovering what these sayings tell us about Him and what relevance they have on our lives today.

S.O.A.P.

Studying the Bible can be daunting – where do you begin? How do you get the most out of it? Which study guides should you use? This one-week programme will help young people develop a new skill for studying the Bible effectively with just the word of God in front of them.

Love Is A Verb

The Bible instructs us to love God with all our “heart, soul, mind and strength.” Find out how to put love into action.

Persecution

Examining the issues of Christian persecution, this interactive programme challenges young people to consider the reality of Christians who suffer for their faith around the world. We also look at our own situation as Christians in Northern Ireland.

Choose Wisely

We make hundreds of choices every single day, and many of our choices impact other people. In this programme we explore how important it is to think about our choices – especially the big ones – and to base them on God’s word.

Take The Stand

We aim to inspire young Christians to share their faith with others by challenging them to take their stand for God, and by providing practical tips and biblical examples along the way.

Prayer In Practice

How can we discover the power of prayer and utilise it in everyday life? ‘Prayer in Practice’ is a programme designed to encourage and challenge young people to examine their prayer lives.

SHINE (available from November onward)

A 4 part video resource designed to equip young people to share their faith within school. SHINE aims to equip young people to live for God at school and create opportunities for them to explore the Christian faith for themselves.
